

HELIX ARTS.

<Insert Project Name> Case Study

Case Study should be no more than 2 A4's per person or for the entire project

Project Context

<Please tell us about the project/person and give a general overview of what you did. Including information such as; the group/person you worked with and their protected characteristics, any partnerships and anything about how the project may have evolved.>

Image inc. Credit & quote add here

Project Aims

<What were the planned outcomes of the project/for the participant and if they were developed by a group/participant, how were they developed? Links to web pages or artwork>

What did you do?

<Describe what the project/participant has done. What activities did they get involved with and how did they benefit? Were there any challenges and how were they overcome? >

Quote??

What Happened as a result of the project?

<What was the impact on the group/individual of being involved? Any quotes from participants about how project impacted them or from the artists reflection upon the group/participant. Include outcomes, impact, outputs and partnerships.>

Why was it successful/not successful?

<Review purpose of funding and contrast/use momentum review in this section. Short reflection of your learning here. Why did things work or did you/group/participant make the decision you did? What did you learn as a result of the project and what can be replicated as good practice by others?>

Comments from participants/partners (Can be anywhere creative in doc)

<Insert any comments or quotes here>

What value was the project?

<Consider the cost and any in kind here as well as the other qualitative values>

Images/Videos from the project (use wherever is best for interesting read)

<Add links/images to showcase the project and/or participants work or involvement.>
