

## Finance Budget Task

Create a budget using the following prompts & project requirements

- Two artists will work with an existing group of young people in Northumberland regularly over 20 weeks to work on a heritage project.
- The young people will be offered taster workshops at their community venue, so that they can choose which art forms they want to work with.
- The group will visit a local museum to inspire their outcomes.
- The group have the opportunity to complete their Bronze Arts Award.
- Throughout the project we want to promote the work to other partners and the public.
- At the end of the project there will be a sharing and exhibition of the young people's work.
- A film will be created to document the project.
